

Artuel gallery is a new exciting gallery located in the Eastern Township, Québec, Canada, which uses a webgallery to provide artists with more space and exposure to place artworks in today's contemporary corporate and domestic environments.

Mission

Our mission is to take care of only a limited number of artists that have a high rate of art quality production.

Artuel gallery will continually present new exciting and provocative artworks through the worldwide art market.

The planet is our market place!

By using the services of the Art Gallery, you can have your custom orders to order and to ship with
